YOUR REFERRALS HELP bring clean water to the world that does not have it

We are on a Mission to Contribute \$1,000,000 to Worthy Missions around the World and locally, particularly in the realm of clean water and education for women and children.

663 Million people in the world live without clean water. That is nearly 1 in 10 people worldwide...or...20 times the population of our beautiful Canada.  The majority live in isolated rural areas and spend hours every day walking to collect some semblance of potable water for their family. Access to clean water means education, income and health--especially for women and children.

CLEAN WATER AND EDUCATION IS LIFE ALTERING

Your Referrals contribute to uniting all four corners of the earth and relieving MUCH human suffering ... **LoveUnity2**

Who do you know considering buying, selling or investing in Real Estate that we should start a conversation with?

Not only will they benefit from our award winning service, perhaps more importantly, we donate a significant portion of our income from home sales to help those in need. The most important thing we do everyday is something for someone who will never be able to repay us.
